ANEXO II

STATEMENT OF RECOGNITION OF LANGUAGE PROFICIENCY

FOREIGN INSTITUTION

I hereby declare, as the **co-supervisor** of the graduate student _____, in agreement with the Brazilian supervisor, that he/she possesses the necessary linguistic competencies in _____ (**foreign language**), as demonstrated throughout our interactions to date.

The communicative skills of the co-supervised student, in both informal and academic situations, are sufficient for the development of activities at this institution.

I hereby declare that the following prior interactions have taken place with the student:

- ☐ **Research-related working meetings**
- ☐ **Interview**
- ☐ **Other previous contacts. Please describe:**

In this context, the student's language skills were evidenced by the **clarity of expression, fluency in conversation, and ability to understand.**

It is important to emphasize that this Higher Education Institution does **not require the presentation of a proficiency certificate issued by a certification body** for this type of research stay/internship.
